

**DISTRICT VIII
OLYMPIC DEVELOPMENT PROGRAM
PLAYERS ADVANCING TO THE STATE TRYOUTS IN SEPTEMBER 2011
www.cysad8.org**

Please read all of the information and then follow the instructions.

The following players have been recommended to advance into the Olympic Development State Tryouts in Ripon, Ca. in September of 2011. This information will also be posted on the D-8 web site listed above under Olympic Development Program. Congratulations to those players that are advancing to the State ODP tryouts. For those of you who did not advance this year and would like an evaluation of what you need to work on during the year please e-mail me and I will send it onto the evaluators for their comments. Once you receive the evaluation take time to practice in the areas that are stated on your evaluation and come back next year and try again. Never give up on your dreams. Turn this into a positive tryout knowing that with practice you can achieve anything that you set your mind to.

As the dates for these tryouts are approaching very fast there are a few things that the players and parents must do ***immediately*** in order to be ready for these tryouts. In order to make sure that all of the necessary forms are received at the CYSA State office together, and not in piece mail, we are asking that you fill out some of the forms that you already filled out for the District tryouts and mail them to the CYSA office with the appropriate fees. All of the information can be found on the CYSA web site.

- 1) log onto the CYSA web site - www.cysanorth.org
- 2) once you are on the CYSA web site click programs (located at the top of the page under CYSA - 4th box over)
- 3) scroll down to Olympic Development Program and click on that program
- 4) on the right hand side under *article index* you will find State ODP - click on that and you will see the following:
