Information regarding the \$165.00 per player ODP cost in District 8.

This fee goes to several things that are listed below. If you have any concerns or questions please feel free to contact me.

Shorts

Socks

Small stipend for the coaches

Scholarship money for players in our District that make the State ODP team

Financial aide for players in our District that make the District team

(The two ODP T-shirts that you receive are now paid out of the \$75.00 that you paid to CYSA)

This past year District 8 gave out 5-6 scholarships for players that made the State ODP teams in their respective age groups. Each player received \$500.00 from District 8 ODP as long as it was matched by the league in which the player was registered to.

Financial aide is given to families of lower income. District 8 ODP has made it possible for families of this status to afford the opportunities for their son or daughter to participate in this program.

Please fill out the form below and submit with your payment. Please staple the payment to this form and put it in a sealed envelope.
