

2009 State ODP Try Outs

44 DISTRICT VIII PLAYERS OUT OF THE 83 THAT PARTICIPATED ARE INVITED INTO THE STATE TRY OUTS THIS YEAR

The following players from District VIII have been invited into the State Try Outs which will start on the first weekend in December 2009 (December 5 and 6, 2009). If you have not received a letter yet from the CYSA office you should receive one shortly as they have been mailed out.

I would like to congratulate all players that participated in the District VIII Olympic Development Program this year. You did an outstanding job not only representing your District and your league but yourself, as players.

This was a very good year for our District. In total, we have 44 players attending the State try outs this year. You should all be very proud of your accomplishments so far. I would like to thank the District Staff coaches that gave so much of their time to make this program a success for all of you. All of these coaches do this because they believe in the program and the benefits and doors that it opens for all of you as players. If you have a chance please e-mail them and tell them how much you appreciated the time they gave to you. I know they would really appreciate your comments as they not only coach their own club teams (some coach two), train other teams and individual players, work full time jobs and YET still find time to help District VIII in the Olympic Development Program. Your development and success as players are important to all of them.

Please be prepared, stay healthy, and go into the try outs fit and ready to compete. You will now be going up against the best in the State and that takes a lot of practice and determination. Stay focused and do your best.

Once again congratulations to all who are continuing on with this process for this year. The District VIII ODP try outs for the 2010 season will be announced on the District VIII web site around May of 2010. If you do not make one of the state teams this year, please look for the new try out dates. Each player develops at different stages and at different times so never give up on yourself. Do not let this be the end of your dream. Do not let this be a stumbling block for you. Continue to strive to be the best that you can be, in all that you do.

Good luck to all of you.

Sue Gonzales
District VIII Olympic Development Chairman
