

**The following players have been named to the District VIII 2009 Olympic Development teams.**

If there is not enough players for a team, individual players will be sent to the play days to be evaluated by the State coaching staff as individuals and will join a team made up of players from several areas. There are spots still available in some of the age groups and there is a possibility that some of those spots can and may be filled at a later date prior to the September 1<sup>st</sup> roster deadline.

*Please note that goalkeepers are not listed yet. Goalkeeper names will be listed on the District VIII web site on July 27<sup>th</sup> after their last goalkeeping evaluation which will take place on Sunday, July 26<sup>th</sup>.*
